DROWNED IN A POND

Sank to a Watery Grave in Full
View of Companions—Another
Home Saddened

Robert, the manly little eleven-year-old son
of Mr. and Mrs. M. Brown of East Second
street, was drowned between 2 and 3 o'clock
yesterday afternoon. He was visiting at the
home of Mr. P. Comer on the Fleming Pike,
about three miles from the city, where the
deplorable accident occurred.

Robert, together with a number of compan-
ions, was bathing in a pond on the farm.
They had erected a springing board from
which they leaped into the water, and Robert,
being unable to swim, sprang out beyond his
depth, and to the horror and dismay of his
companions, after a short struggle, sank under
the water to rise no more.

An hour elapsed before an alarm was given,
when the sad news was conveyed to the
stricken father, who, with medical aid, has-
tened in an automobile to the scene, but too late
to be of avail, as the spark of life had fled.

Robert was the eldest son of Deputy Sheriff
and Mrs. M. Brown, and was a bright, lovely
child and a general favorite.

Words are inadequate to express the deep
and sincere sympathy that goes out to the
stricken and bereaved parents in their sorrow
and irreparable loss.

The funeral will take place tomorrow after-
noon at 2 o'clock from St. Patrick's Church,
with services by Rev. Father P. M. Jones.

Interment in Washington Cemetery.

MAKES WORK EASIER.

Maysville People Are Pleased to Learn
How It is Done.

It's pretty hard to attend to duties
With a constantly aching back;
With annoying urinary disorders.
Doan's Kidney Pills make work easier.
They cure backache.
They cure every kidney ill.

Frederick Dressel, 1238 East Second street,
Maysville, Ky., says:

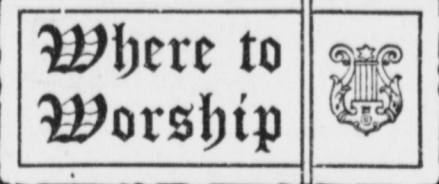

"I consider Doan's Kidney Pills to be a most
excellent remedy for kidney trouble—and am only
too glad to speak in their favor. About five
years ago I was bothered by weak kidneys and
the secretions from these organs were scanty
and attended with pain during passage. Sharp
twinges across the small of my back were com-
mon and at times greatly interfered with my
work. On telling a friend of my condition,
he advised me to use Doan's Kidney Pills and I
procured a box at J. Wood & Son's Drugstore.
I used them according to directions and they
afforded me prompt relief."

For sale by all dealers. Price 50 cents.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether
muscular or of the joints, sciatica, lumbago,
backache, pains in the kidneys or neuralgia
pains, to write to her for a home treatment which
has repeatedly cured all of these tortures. She
feels it her duty to send it to all sufferers FREE.
You cure yourself at home, as thousands will tes-
tify—no change of climate being necessary. This
simple discovery banishes uric acid from the
blood, loosens the stiffened joints, purifies the
blood and brightens the eyes, giving elasticity
and tone to the whole system. If the above in-
terests you, for proof address Mrs. M. SUMMERS,
Box R, South Bend, Ind.

Ample Heat At Least Cost.

IMMENSE heating bills and not enough REAL heat to talk about
aptly describes past winter conditions in thousands of homes. But while
their neighbors were shivering in "cold storage atmosphere," Mays-
ville users of

The Peck-Williamson Underfeed
Furnaces and Boilers

Were living in perfect comfort all over
the house. The Underfeed way of heat-
ing—coal fed from below, all the fire on
top—insures as much clean, even heat
from cheapest slack as highest-priced
anthracite will yield burned in the ordi-
nary type of heating plant. This enables
Underfeed users to

Save 1/2 to 2/3 of Coal Bills.

Send for our free books about Under-
feed Furnaces and Boilers and let us
prove that it will pay you to install the
modern Underfeed, which soon pays for
itself out of the guaranteed saving it ef-
fects in coal bills. Many in use in Mays-
ville and vicinity. We'd be glad to send

And Other Statesmen of National Note to Attend Congressional Convention at Maysville Next Wednesday

On next Wednesday, July 20th, when the Republican Convention of the Ninth District is held in Washington Opera-house in Maysville to nominate by acclamation Congressman J. B. Bennett for his fourth term, Senator Bradley will be the stellar attraction and will delight the convention with a brief but characteristic speech in the interest of Congressman Bennett and the National Republican situation.

Several Congressmen will also be present, among them Representatives Hughes of West Virginia and Johnson of Ohio.

There will be several bands of music, and this political occasion will be one of the most interesting and notable ever held in Maysville.

Besides, there will be large delegations from each of the thirteen counties composing the Ninth District, and every one who attends the big meeting will hear the gospel of Republicanism expounded and amplified in a way that is sure to give a winning impetus to Congressman Bennett's fourth campaign.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

BACK TO BOYHOOD.

Backward, turn backward, oh, time, in your flight,
Make me a boy again, just for a night.
Give me a go at the food that they fry,
Let me make bold with a green apple pie.
Then let me sink to my innocent rest,
Free from all care as to what I digest,
Content, even in moments of pain,
That mustard or ginger will soothe me again.

Pain would I seek with a juvenile zest,
The cupboard instead of the medicine chest,
And drink from the spring where the germs
room at will,
Instead of from crystal, drafts foaming or still.
Give me not wealth nor the badge of the proud,
Nor a place on the platform, high over the crowd.
But give me, oh, give me, my old appetite—
Make me a boy again, just for a night!

TIMELY WARNING

A Matter That Needs Immediate Attention—Delays Are Dangerous

A matter of much importance to the traveling public has evidently been overlooked, both by the City Fathers and C. and O. Railway officials—providing warning bells for night service at the crossings at Commerce, Lexington, Main and Carmel streets.

A buggy or automobile approaching either of the above dangerous crossings after night-fall have no way of knowing the whereabouts or movements of trains until they are on the track with their vehicle or automobile. The sidings are usually crowded with cars, and not infrequently a long train is backing up and cannot be heard until it is very close at hand. It is to be hoped that this matter will be given proper attention and that warning bells or red signal lights will be installed before a terrible accident happens.

It is said that the Burley Tobacco Society has ordered samples of all the pooled tobacco sent to Lexington immediately.

SMASHED HAND CAR

Loaded With Ties—Narrow Escape From Another Wreck of C. and O. Fast Flyer

Section men on the C. and O. were responsible for causing the "Fast Flying Virginian" No. 3, to make a very narrow escape from a possible dreadful smash-up yesterday afternoon about 2:30 o'clock, when the Flyer, speeding West just below Vanceburg, struck a hand-car loaded with heavy ties.

The car was left on the main line by the section crew through a bad oversight and blunder, thus jeopardizing the lives of the 150 people on the fast train. Fortunately, when the heavy engine and train ran almost full head into the car of ties, the obstruction "busted" instead of buckling under the engine, which would have sent the entire train up in the air, and you may imagine what would have then happened.

The accident, as it resulted, injured no one, only smashing the engine's cowcatcher and making junk of it, and making kindling wood of hand car and ties.

Somebody's blunder will cost them probable dismissal, while all on the train had their nerves given a bad shock.

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Blackberries are ripe and are being sold here on the streets. They are of excellent quality and are plentiful where briers are to be found. MY DOCTOR MIGHTY FINE

Mrs. Hattie Cain of Carrsville Thinks all the More of Her Doctor Since He Advised Her to Take Cardui.

Carrsville, Ky.—"My doctor," writes Mrs. Hattie Cain, "who advised me to take Cardui, for my troubles, is a mighty fine doctor, and I say God bless Cardui and the people who make it."

"Before I took Cardui, I suffered with female troubles for sixteen years. I would have to send for a doctor every three months, and oh! how dreadfully I suffered!"

"I would cramp and have convulsions and it looked like I would die. At last I took Cardui and oh! what a surprise! I found it was the medicine for me!"

"From the first bottle, I began to mend and now I am well, can do more work, can walk and go where I please and it don't hurt me, and I owe it all to Cardui."

Cardui helps sick women back to health. It has been doing this for over 50 years. It is not a laxative, or a heart or kidney medicine—it is a woman's medicine.

If you are a woman, try it.
